From the Station Manager's Desk!

We are very excited to add a new jazz program to our weekend lineup. "Sunday Jazz with Dee Alexander," hosted by the world-renowned, Chicago-based jazz vocalist, will air Sundays from 8 to 10pm. Dee has joined us on the air a number of times for special projects at WDCB, and whether she is singing or speaking, the microphone clearly loves her! We can't wait to hear her voice and her musical selections every Sunday evening beginning Sunday, May 7.

Mark your calendar for Friday, May 19...that's the date of our next Encore Film at College of DuPage. We'll be watching Don Cheadle's entertaining and unconventional 2015 jazz-themed film, "Miles Ahead." Set in the late '70s, when Miles Davis was in self-imposed exile from the jazz scene, it's a fictional wild ride of a story that's filled with excellent jazz and some daring insight into the Miles Davis persona. And it's sponsored by Larc Jewelers in Glen Ellyn.

Happy listening!

Dan Bindert – WDCB Station Manager
